AN INTERDENOMINATIONAL, CHRIST CENTRED, RELEVANT, VIBRANT, CREATIVE & MULTICULTURAL MINISTRY.

Church Revival Evangelistic Ministry (CREM) is a dynamic interdenominational evangelistic ministry that brings born again believers from different Churches all having burden to reach the world for Christ. At CREM, we believe that it is through revived believer's deeply rooted in local churches that the work of reaching out to the unreached will be accomplished faster. The local church must awaken to the call and perform the work that the Lord Jesus Christ left for believers. We seek to love God passionately, love people unconditionally and live life with a purpose desiring to impact the world for Christ. This calendar is by Faith what we desire to do in the year 2024 and prayerfully await God's provision and grace to impact lives for Christ.

This information booklet contains information on the ministry events that have been scheduled for the year 2024. We encourage you to take time to read it in detail, but most important to plan and diarize to participate effectively in each of the activities planned for you. These events have been prayerfully crafted to keep us all not only focussed on our vision and mission but also to grow us spiritually and bring us closer in our relationship with Jesus Christ. If you make a decision to commit yourself to this program, we can assure you that this year will be one of your best years ever.

Being involved in mission work is a big blessing not just to the people that you are able to impact for Christ, but also to yourself as a Christian. There are some things

that God will only do to His people while they are in the mission field serving and fulfilling their purpose. There is a special relationship that God develops with those actively involved in His work and we strongly believe there are some blessings that God only releases to those in the battlefield. If you have not been actively involved in mission work, we encourage you to make that decision now and plan to get involved.

CREM Ministry provides you a unique opportunity for you to serve God in missions in the rural areas. At CREM, you will find genuine fellowship, teaching, an atmosphere of genuine love, faith and the excitement in ministry. This is a ministry where every gifting that you have will be put to good use for the glory of God.

We are passionate about being relevant in today's age and believe that the work of God should be done with excellence. We seek not to complicate the gospel but rather make it simple, real and relevant so that many can be able to find salvation. We seek not to condemn those that are lost but rather desire to create an environment where they can feel welcome and wanted for this is what Christ did during His earthly ministry. We believe that all of us have a unique gift that can be harnessed and used to further the kingdom of God. We invite you to take a place among the many that have made a commitment to serve God with their gifting as part of the CREM team.

FINANCIAL GIVING @ CREM

It is a great privilege to be part of a ministry that is not static but always growing and looking for ways to reach and impact more people.

This privilege brings with it opportunity and a great responsibility on us all to continue this momentum, development and expansion at CREM. In the last few years, we have continued to develop our CREM Centre (@CREM Land, Machakos junction) into a beautiful altar to our most High God. The launch of our “Open Heaven’s prayer nights at the centre gave birth to a full-fledged and vibrant local church – the New Life Community Church (NLCC) that God is using to reach the local community. The members of this church have also joined the ministry and have become a big blessing to us as we serve God together. We join together as CREM in welcoming them to the larger CREM family and wishing them God’s favour and blessing as they serve with us.. We believe that this centre will be used by God to transform the lives of the people of Kyumbi financially, spiritually and in every way possible.

During the month of March (first week), we will have the opportunity to come together for sacrificial giving to finance the ministry program for the year. This is a huge privilege and responsibility. As we give, we will trust God for a personal and corporate miracle for every member of CREM. Remember God only works in our works. God can only work to build this ministry as we make our resources available. The Bible says that David slew Goliath, but that day, the “Lord won a great victory for all Israel” (1 Sam 19:5). As we step forward to give, God responds and multiplies our efforts with success. The disciples fed 5000 people with only five loaves of bread and two fish. Jesus took what they brought to him and thousands were fed with food to spare.

On behalf of the CREM leadership, we are trusting God to bless each one of you so that this will be the best Mission Funding weekend ever. May God speak to you and fill your heart with generosity and faith so that together we can do something amazing for God.

WHY AND WHAT AND HOW TO GIVE

2 Corinthians 8:10-11

New International Version (NIV) Last year you were the first not only to give but also to have the desire to do so. 11 Now finish the work, so that your eager willingness to do it may be matched by your completion of it, according to your means.

There are two main ways you can support CREM Ministry

- **Periodic Contributions (Monthly, Quarterly)**

Each member of the ministry is expected to join together in giving on an on-going basis towards the ministry at a frequency of your choice

- **Missions Funding Day**

Once a year we get together and make a once off sacrificial giving towards the ministry program. The target amount is normally in relation to the mission's budget as communicated at the launch of the 2023 calendar. We have seen God perform great miracles every time we have gathered for this service and this year – Mar 4th/5th is going to be even more powerful .

1 Corinthians 16:2

On the first day of every week, each one of you should set aside a sum of money in keeping with your income, saving it up, so that when I come no collections will have to be made.

All of us should prayerfully allow God to guide our hearts as to the amount we should give. All of us should plan, prepare and gladly release our finances monthly and also during our funding weekend.

All of us should be willing to stretch and make the necessary sacrifice for the on-going vision of CREM. There should be equal sacrifice even though there cannot be equal giving. All of us can and should participate and no one should think that their giving is too small to make a difference.

In 2 Corinthians 8:2-3 Paul writes...

In the midst of a very severe trial, their overflowing joy and their extreme poverty welled up in rich generosity. 3 For I testify that they gave as much as they were able, and even beyond their ability. Entirely on their own.

In Luke 6:38:

Give, and it will be given to you.

Philippians 4:19 :

And my God will meet all your needs according to the riches of his glory in Christ Jesus.
